

CALIMESA BREAKFAST LIONS CLUB SHARONDALE AMERICAN FLAG PROGRAM

The American Flag Program conducted by the Calimesa Breakfast Lions Club has been active for over 30 years in the Calimesa and Yucaipa areas.

This program insures that our nation's flag continues to wave proudly honoring past and present heroes.

Your annual tax-deductible contribution of \$30.00 for 1 flag will allow us to continue with this program and to help various programs and organizations in our community.

We do all the work; you get all the credit. A flag mount will be drilled in the sidewalk or curb near your home and a pole and flag will be provided.

Calimesa Breakfast Lions Club volunteers will donate their time, labor and fuel to put up and take down each flag on each of 10 commemorative days during the year (weather permitting). The flags will be rolled and stored.

We maintain the holes and repair and replace flags as needed.

Please return this portion with your contribution to:
